Positives of social media

Connecting with lots of people

Negatives of social media

The Law

Malicious Communication Act

'Malicious Communications is where someone sends a letter or any other form of communication that is indecent or grossly offensive, threatening, or contains information which is false or believed to be false. The purpose for sending it is to cause distress or anxiety to the person it is sent to.'

Computer Misuse Act

'The Computer Misuse Act 1990 was created to deal with the issue of accessing or modifying data without permission.'
